By signing this application for employment, I certify that I have read and understand all parts of it and certify that I have truthfully and completely answered all questions. I understand that falsification or omission of material information given herein or in any other employment-related form or context is grounds for immediate termination, regardless of when such falsification may be discovered. I understand that nothing in this application is intended to imply or create an employment contract. I authorize Discount Tire / America's Tire and its representatives to investigate my education, employment, experience, felony conviction records and all other aspects of my background relevant to my proposed employment, including all statements made by me in my application for employment. Further, I understand that employment will be contingent upon successfully passing a pre-employment drug-screening test. I understand and agree that if I am offered employment by Discount Tire / America's Tire it will be on an at-will basis. This means either Discount Tire / America's Tire or I may terminate the employment relationship at any time for any reason, with or without cause. This policy of at-will employment may be revised, deleted or superseded only by a written employment agreement signed by the employee in question, the CEO, CAO and the COO that expressly revises, modifies, deletes or supersedes the policy of at-will employment. If accepting employment with Discount Tire / America's Tire, I agree to comply with all company policies, procedures and practices which Discount Tire / America's Tire may revise, modify in whole or in part at any time and with all laws, rules and regulations during my employment with Discount Tire / America's Tire.

Signature

Discount Tire / America's Tire is an equal opportunity employer. All applicants for employment will be considered without regard to race, color, sex, national origin, ancestry, age (over 40), religion, Veteran status, physical or mental disability, as well as any other category protected by federal, state or local laws. **This application will remain active for 30 days.** After that time, application must be renewed by the applicant if he/she wishes to be reconsidered for employment.

ESSENTIAL JOB FUNCTIONS**

Store Employee Job Description

OPERATION:

Each Discount Tire Co./America's Tire Co. ("Discount") store has a retail show room area with a sales counter and also an area with tires and wheels on display. There is a substantial portion of the building used as a storage area, having floor and mezzanine height tire racks for storage of tires. The equipment area contains equipment for servicing tires, which includes tire changers, Euro-style tire changers, spin balancers, tire spreader, torque wrenches, air guns, soap products for lubrication, compressed air, lug wrenches and rubber ended mallets. Finally, most stores also have enclosed bays for removal and installation of wheels on vehicles. Some stores have these facilities outside of the building. Tires are lifted to the mezzanine level for storage either manually or by conveyor. Stores are generally open for business Monday through Friday between 8:00 a.m. and 6:00 p.m. and on Saturdays between 8:00 a.m. and 5:00 p.m., with frequent extensions of hours of operation required. Work hours consistently exceed open store hours, with frequent overtime requirements.

JOB FUNCTIONS:

Autos, light trucks or recreational vehicles are raised up with either a hydraulic lift or portable jacks. Hubcaps are removed, lug nuts are loosened, removed and the tires are then removed. Each tire is then lifted onto a tire changer. The tire is deflated and unseated from the rim. The new tire is placed on the rim, then seated and inflated. The inflated tire is picked up off the tire machine and rolled to the spin balancer. It is lifted onto the wheel balancer for spin balancing of the tire and wheel assemble. Weights are added to the rim in a manner identified in the balancing process. The tire is then rolled to the vehicle and replaced on the hub. Torque wrenches are used in the final steps in tightening all the lug nuts after the car is lowered.

Similar functions are required for repairs, with the added step of the repair process. Also, judgments must be made as to the reparability of the tire and the type of repair required.

Cleaning and maintenance of the building, grounds and equipment is a part of the job function.

Loading, unload, stacking and movement of tires, wheels and supplies is also a part of the job function.

JOB REQUIREMENTS (8 Hour Work Day Minimum):

Physical:

8+ hours of standing and walking, involving repeated bending, lifting, stooping, squatting, crouching, kneeling, pushing and pulling.

Weights lifted: 11 to 50 pounds carried frequently, with heavier loads at times. Hands are used repetitively for firm grasping and medium dexterity throughout the shift.

Employees work with and around tire changers, spin balancers, torque wrenches jacks, air compressors and hand tools. Potential physical exposures are noise, vibration, atmosphere and temperature. Chemicals include soap and nuisance dust. Safety glasses are required as a personal protective device. Optional equipment available includes ear plugs and back support braces.

Aptitude/Competence:

Employees must be capable of understanding both written and verbal instructions and possess the ability to learn, as well as have the comprehension needed to read and understand tire labels and numbers. Employees must possess sufficient mechanical abilities to remove and replace wheels, balance wheels and repair tires, as well as operate the machines and tools related to such job activities. The employee must be able to adhere to and follow instructions.

SPECIFIC PHYSICAL REQUIREMENTS

1. **Number of Hours in Full Shift:**

Sit	Part-time 0 hours - Full-time 1 hour
Stand	Part-time 2 hours - Full-time 7 hours
Walk	Part-time 8 hours - Full-time 12 hours
